

modern & classical

Tree and Garland Decorations

... the **LIGHT** behind the illumination
2010 | 2011

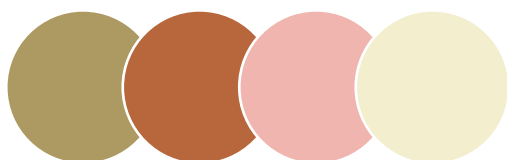

copper & gold

sumptuous elegance

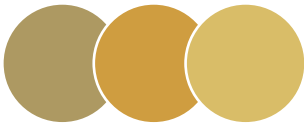

Traditional golden mist combined with the romanticism of old rose- with champagne tones and copper highlights working together in harmonious elegance.

gold
bold extravagance

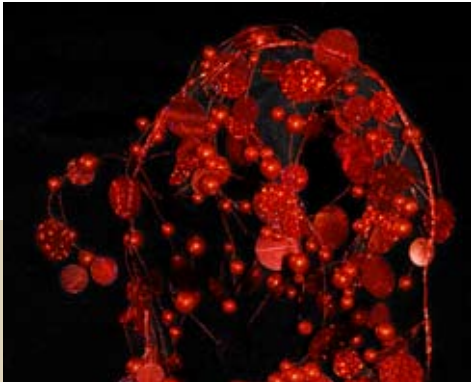

red
passionate love

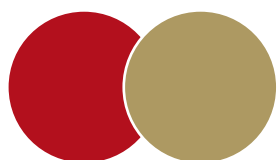

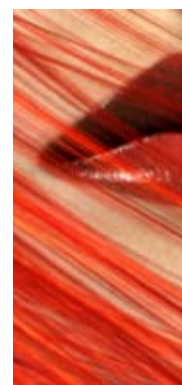

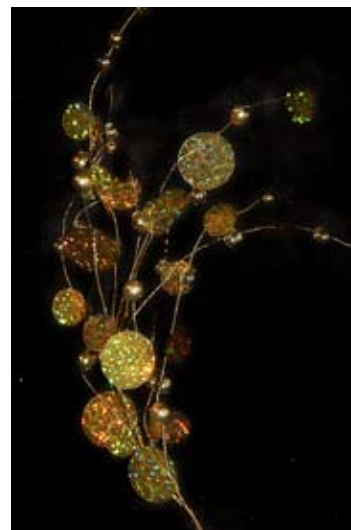

red & gold

royal blaze

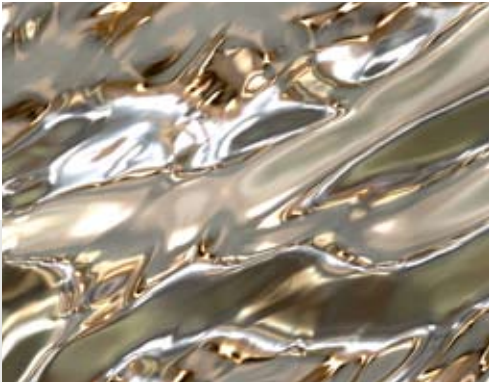

Regal gold and majestic red with subtle shadows – a classical look which is both bold and inspirational.

silver

winter wonderland

A timeless combination of gloss and matt silver with the purity of white – a truly magical winter wonderland.

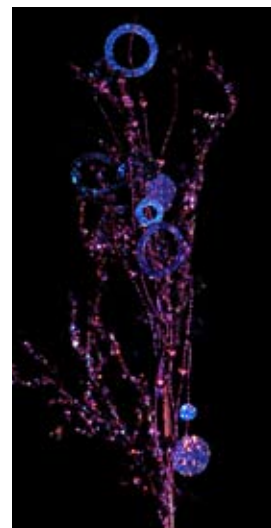

violet & red

modern aurora

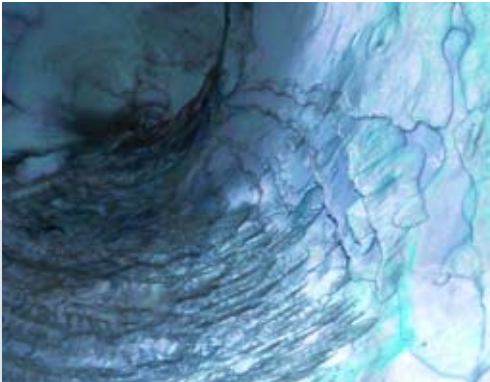

Violet and pink with the impulse of deep red- to create a contemporary aurora of outstanding colour.

blue & silver

splendid aztec

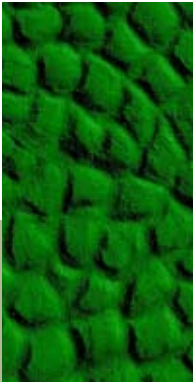

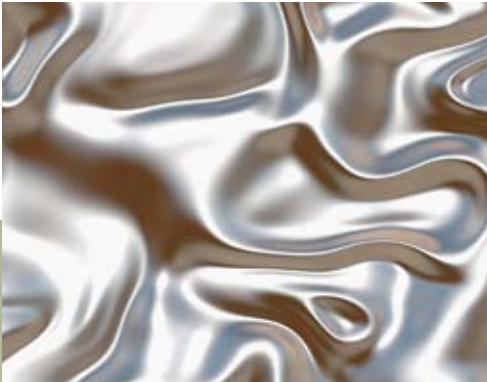

A vibrant mix of cool artice blue and dreamy turquoise with frosty silver- a true expression of colour taken from a mystical time 'long-ago'.

green
sparkling forest

pastel
